OVERVIEW

The ROC foundation is pleased to present Orthopedics for the Healthcare Professional. This 2-day conference will provide the latest updates on the most common orthopedic injuries and disorders treated by the healthcare professional. This conference offers an informal venue for area clinicians to learn from, and have access to, national experts in the field of orthopedics.

The ROC Foundation would like to extend your company an invitation to partner with us for this event. The target audience for the event is physicians, NPs, PAs, PTs, OTs, athletic trainers, clinical/surgical staff, professional degree students and any allied healthcare professional whose scope of practice or profession includes orthopedics.
